## Spring Out Of The Bin

John 15 v 1 tells us that God the father is the gardener of our spiritual life, and I have a heart for gardens too—both natural and spiritual. Last Autumn I was planting spring bulbs to start off the year with beauty (I just LOVE spring). You have to think ahead if you want a good display. Just recently as I was looking out my window I saw something that I missed, SPRING was bursting out of my compost bin as I left some bulbs behind and forgot to plant them. You know we can miss seasons in our lives and feel our garden has lost its beauty but GOD will help you dig out the old and plant the new no matter how late it is. The kingdom of God will grow out of bins, or anywhere because it is God's planting. For the rest of the year we would like to run some **'Gardening Classes'** for you to sign up for if this is where you need to **'do some planting'**;

Be Blessed as you grow, and before you know it—you will be blooming gorgeous, **Isaiah 61 says You are a Planting of the Lord.**

## Just ASK

**Just Ask** seeks to see transformation among the families it works with in the inner city.

We run **9 after school clubs** ranging from 1st Class to 6th Year. We also

have **two outreach clubs**; one for 7-1 year old boys and girls and the other is for teen boys 13-17 years old. We operate out of 3 centres in the Dublin 1 and 7 area.

**Please pray for our 11 groups during the week**—we need more volunteers for both our after school and outreach groups. A team from an inner city church volunteer twice a month to engage the children with praise songs and bible stories. Please pray we can find people to cover the other two weeks per month.

We have on residential weekend coming up in May and three camps for children, teens and families. **Please pray for our financial, transport and volunteer needs during the summer.**

**Please pray for the direction of Just Ask**, that we will be clearly guided as we make decisions in this matter.

**Please pray for grants we have applied for**—that they will be reviewed favourably.

And finally **Praise God** for our Trinity family, we would not have achieved as much as we have without the many help and encouragement we have received from you all.

## Ruach—Youth Ministry.

Well, its been a very busy and exciting last few months.

**Some highlights:** Day Youth Conference with Awake Ireland in Drogheda; Trampoline Dodge Ball Night; Ruach Gladiator Night; Intercession Evening with St Catherine's Youth Group in Christ Church Cathedral and Kick Off of our Senior Lads 5 aside League.

Spiritually we have enjoyed growing together. We now spend our own times with the Lord every Saturday we meet and hold monthly worship nights together. The Lord is speaking to us all and seems to really move in the silence. So much fun to hang out with the Lord and receiving all the good things he has for us. We have just returned from our Mid Term Get Away at Lough Dan in Wicklow. WOW, what an amazing time together!! Check the pics below of our mud run.
